Summary of discussion

" In connection with the Sangameswaraswami Jabra at Harihar, a cattle show was organized and held during the last three years. In one year an Agricultural Exhibition was also held. Dear Sir,

In reply to your D.O. letter dated the 15th instant re. the telegram from certain persons at Hyadigi, Dharwar District to the address of the Dewan about the holding of the Cattle Show at Haribar, I beg to state as follows:-

The Cattle Show of Haribar is being held for the past 4 years on the occasion of Sangameswara Jatra. It is learnt that from time immemorial, the Sangameswara Jatra used to be held on the fullmoon day of the month of Chaitra i.e. generall in April. In the year 1910 also when the Cattle Show was organised for the first time, the Jatra as well as the Show are reported to have been held in April of that year. But during the year 1911 the date of both the Jatra and the Show was fixed one month earlier that is on the 5th day of Phalguna Bahula, the corresponding date being about the 20th of March, under the apprehension that the Hungar rains might disturb the Jatra and the Show, and accordingly both the functions were being conducted in the month of March during the subsequent years of 1912 and 1913

2. The Deputy Amildar of Haribar Sub-Taluk on being

called upon to subit the necessary prospectus &c relating to the Show and the Exhibition to be held during the ----- current year, proposed that the functions might be fixed to 10th April which corresponds with the full moon day of ----- Chaitra as Sukkeda Venkata Rao the owner of the land on which the Show was held complained that in consequence of the date and the Show having been held on his lands he was put to heavy loss by his being obliged to remove the standing crops before their harvest time. In support of his proposal, the Deputy Collector further reported that the 5th day of Phalguna Bahula which falls in the month of March being the dark half of the month there would be no Moon light and as such thieves and other people of bad character would take advantage of ----- darkness and commit petty thefts &c in spite of necessary Police arrangements to be made on the occasion. Further that there arises the necessity of providing lights at different camps entailing unnecessary expenditure. In order to avoid all these inconveniences the holding of the Fair as well as the Show in the month of Chaitra i. e. about the 10th April next was ------- recommended by the Deputy Collector.

5. Some leading Agriculturists of Haribhavipalem were consulted on the subject and reported to have been agreeable to the date and Show being held on the full moon day of Chaitra. In their

statements recorded by the Deputy Amildar that date that it was in accordance with the wishes of the people that the long established date of the Tai Vir. Chaitra full-moon day was changed during 1911 to Phalguna Pahili 5th day i.e. March.

4. As regards the inconveniences apprehended during 1911 i.e., the fall of Mungar rains during April, the Deputy Amildar reported that experience showed that there was no likelihood of early rains during April.

5. In the circumstances represented above, the date fixed by the Deputy Amildar and the towns people and the Sub-Division Officer was approved by me.

6. A telegram from certain people was also received in this office about the advisability of changing the date to 10th April from March and therefore the subject was discussed at the meeting of the District Board on the 18th Instant. It has been resolved that the change has been made after due consideration and cannot be reconsidered.

7. I do not consider it necessary and possible too to change the date to March 10th as prayed for by the people as there is not sufficient time to make arrangements for the Cattle Show and Industrial and Agricultural Exhibition

4. As regards the inconvenience apprehended during 1911 viz, the fall of Mungar rains during April, the Deputy Amildar reported that experience showed that there was no likelihood of early rains during April.

It has also been proposed to hold meetings of the District Board and District Economic Conference on the 15th and 16th April respectively at Haribar.
